*I
choose to
see the good
in others and
in myself.*

Like a phoenix,

*I am reborn
from my challenges,
soaring higher with
each lesson learned.*

*The future belongs to those who
believe in the beauty of their
dreams.*

*Above all, be the
heroine of your life,
not the victim.*

I am my own hero

*Stay
wild
flower child.*

We hope you've enjoyed coloring in this book as much as we've enjoyed putting it together for you. We're excited to add new pages, so don't forget to check our website [*www.HappinessCreators.com*](http://www.HappinessCreators.com) regularly for updates.
